

# ROOFSHIELD PREMIERE ROOF PAINT

## TECHNICAL DATA SHEET

### PRODUCT DESCRIPTION

**ROOFSHIELD PREMIERE ROOF PAINT** is high-quality roof paint designed to protect and enhance the lifespan of various roofing materials, including concrete, galvanized iron and any metal. This water-based acrylic paint offers exceptional weather resistance and durability.

### RECOMMENDED APPLICATIONS

Protection various roofing systems such as concrete, galvanized iron and any metal.

### ADVANTAGES

- **Reduced Maintenance**, can reduce the need for frequent roof maintenance and cleaning, saving both time and money.
- **Enhanced Durability**, adds an extra layer of protection to the roof, reducing the impact of weather-related wear and tear. This can lead to a longer-lasting roof. Can help prevent rust and corrosion, extending the life of the roof.
- **Weather Protection**, provides a protective barrier against various weather elements, including UV rays, rain, wind, and temperature fluctuations. This helps extend the lifespan of the roofing material.
- **Mildew and Algae Resistance**, provides resistance the growth of mildew and algae. This can prevent unsightly stains and streaks on the roof.

### PRODUCT INFORMATION

**COLOR:** Any color variant

**POT LIFE:** 4-5 hours at 25 degrees Celsius.

**PACKAGING:** 1 gallon/20l pail

**STORAGE:** Store in a cool, dry place, away from direct sunlight.

**SHELF LIFE:** 12 months from manufacturing date

### APPLICATION INSTRUCTION

1. Ensure the roof surface is clean, dry, and free from dirt, debris, and loose paint.
2. For new surfaces or areas with existing damage, repair and prime the surface as needed.
3. Stir the paint thoroughly before use.
4. Apply one coat evenly using the chosen application method.
5. Allow to dry for the recommended time before applying a second coat, if necessary.

### COVERAGE

100-120 sqm per 20L pail @1 coat depending on the method of application, the thickness of deposit and the texture and porosity of the substrate.

### SUSTAINABILITY

Our company is committed to Carbon Neutrality thru our various programs such as our GHG Emission Reduction Logistics Approach and OPTI Trees Planting Program.

### QUALITY & DURABILITY ASSURANCE

Our stringent Quality Assurance Procedure for every batch of products manufactured. Our R&D Laboratory based in our production facility ensures that scientific Quality Control Parameters are measured for quality.

Our Quality Control Parameters ensure the stability of our products, ensuring the long-term durability amid exposure to various element and weather conditions.

### ENVIRONMENT

Our facility complies with the proper waste management procedures. Our products are also free of ozone depleting substances.
